

Gianmarco I. Tutuianu

Business Development Manager | Growth & Monetization | Applied AI with real Impact | International Business

gipinze@gmail.com • +358451239430 • Helsinki, Uusimaa, Finland

Business Development Manager focused on driving revenue, scaling markets, and building high-value partnerships across digital and international business environments. I operate at the intersection of commercial strategy, technology, and execution, with a track record of converting opportunities into measurable revenue and long-term growth.

EXPERIENCE

Business Development Manager

May 2026 – Present

Neuwo, Helsinki

- Drive publisher acquisition and revenue growth within the programmatic advertising ecosystem
- Identify, prospect, and onboard high-value publisher partners across international markets
- Lead end-to-end sales cycles: outreach, qualification, pitching, negotiation, and onboarding
- Advise publishers on revenue optimization strategies (CPM uplift, fill rate improvement, ad layout performance)
- Coordinate with AdOps and technical teams to ensure seamless integration

Junior Business Development Manager

Feb 2024 – Feb 2026

Kiosked AB Oy, Helsinki Metropolitan Area

- Generated €500K+ in incremental revenue through new business and partner expansion
- Successfully launched Spain and LATAM markets, establishing a new regional pipeline
- Onboarded 50+ publishers, significantly increasing available inventory and demand scale

Research Trainee (Computer Vision)

Jun 2022 – Jun 2023

Haaga-Helia University of Applied Sciences, Хельсинки

- Developed and trained Convolutional Neural Network (CNN) models for facial expression analysis
- Processed and optimized datasets for supervised learning tasks
- Co-authored paper: "Benchmarking Deep Facial Expression Recognition: An Extensive Protocol with Balanced Dataset in the Wild"

Sales Manager Spain & Latinamerica

Oct 2018 – Feb 2019

ZenTreasury, Helsinki Area, Finland

- Led commercial expansion into Spanish-speaking markets
- Adapted and localized marketing materials, website, and product interfaces
- Identified market opportunities and built initial sales pipeline

CRM & Logistics Development

Sep 2018 – Dec 2018

Eckerö Line, Helsinki Area, Finland

- Supported the design and development of a customer-centric CRM system
- Contributed to system design focused on customer segmentation and predictive insights

Logistic Chief

May 2013 – Oct 2017

SIEMBRA ALTA S.A.C., Peru, Lima

- Increased export capacity from 25 to 80 containers per season (+220%)
- Expanded client portfolio to USA, Spain, France, UK, Netherlands, and Russia

Account Manager

Nov 2015 – Feb 2016

Panasonic, Peru

- Managed growth and operations for the Panasonic Lighting product line
- Led B2B sales, forecasting, and import planning

Sales Assistant

May 2012 – May 2013

Lab Nutrition Corp S.A.C., Santa Anita, Lima, Peru

- Increased monthly sales from \$10K to \$40K (+400%)
- Grew customer base by 50%+

Project Assistant

Oct 2010 – Apr 2012

Miami Aero Supply, Lima, Peru

- Control of inventories and accomplishment of bureaucratic tasks
- Control of Coordinators, execution of orders of service and purchase

Logistics Intern

Jan 2009 – May 2010

Banco de Comercio Peru

- Supported procurement and logistics operations across departments
- Managed inventory and purchasing using ERP systems (SAP / Spring)

PROJECTS

Twenty CRM Migration

Built and deployed a customized Twenty CRM instance via a custom-built Docker image and docker-compose orchestration, plus Python scripts to clean and migrate Pipedrive CRM data via REST API.

Docker, Python

Forge

Full-stack training app (Next.js/React/TypeScript, Supabase Postgres/Auth/Storage, Android client via Expo React Native), with a Dockerized local Supabase stack used to validate every database migration before deploying to production.

Next.js, Supabase

EDUCATION

Haaga-Helia University of Applied Sciences

Aug 2019 – Jun 2023

Bachelor of Business Administration - BBA

- Specialization in Information Technology and Artificial Intelligence
- Developed a strong foundation at the intersection of business, technology, and data-driven decision-making

Hanken & SSE Executive Education

2018 – 2018

- Module 1: European Business landscape and working life
- Module 2: Business strategy and entrepreneurship
- Module 3: Consumer behaviour, marketing and self leadership
- Module 4: Finance and leadership

Trailhead by Salesforce

Sep 2021 – Present

- <https://trailblazer.me/id/gipinze>

Universidad de San Martín de Porres

2008 – 2015

Bachillerato

- Focused on global business strategy, international trade
- Active member of the university rugby team

- Equipo de Rugby
